

Affordable Care Act

There are many reasons that trust fund members might lose coverage, from loss of banked hours to seasonal layoffs to employers going out of business. Members may need help with moving to the individual market and navigating the transition. Here are some helpful resources on what health care reform means for members and their families:

www.kp.org/reform – Kaiser Permanente's health care reform update
www.healthcare.gov – U.S. Department of Health and Human Services health care reform website
www.coveredca.com – California's health insurance marketplace

Kaiser - Northern California
800-640-8584
shopplans.kp.org/8584

Before using these resources, please make sure you have the following information:

- your most recent pay stub and tax return
- birthdates of everyone in your family, even if they don't want health coverage
- Social Security numbers for family members to be covered
- citizenship or immigration status information
- policy numbers for any health insurance you have
- paperwork for job-related health insurance available to your family
